

Our Name Says It All.

Any School or Group, Anywhere, Can Participate!

**Create your own custom School Coupons® Savings Book!
Minimum order of 100 books!**

Experience the *School Coupons* program that is revolutionizing fundraising! Any school or school group, any place, any time, can participate with a minimum order of as few as 100 coupon books – and always earn a minimum of fifty percent!

With *My School Coupons*, every school can enjoy the benefits of having a unique fundraising program – and feel good about providing patrons with a valuable, usable product. In many cases, redeeming only one

or two coupons more than covers the cost of the book.

My School Coupons offers a unique fundraising product of real value, available *only* through your school or school organization.

How does it work?

Simply access the *My School Coupons* catalog of merchant offers available in your area by visiting schoolcoupons.com, or by requesting a *My School Coupons Getting Started Kit* via fax or mail by calling 800-626-0335.

You determine the selling price of your *My School Coupons Savings Book*, select the merchant offers to include in the book, choose the date you wish to begin your fundraiser, and we do the rest. In approximately two weeks, you will receive your *My School Coupons Savings Books* – you pay only for the books sold at the completion of your sale, and return any unsold books for full credit.
